The Hon. W. L. Mackenzie King

President

General Reform Association for Ontario.

Toronto.

Dear Sir,

Replying to your letter of 13th. inst. allow me to say that I appreciate very much your kind words of regret at my defeat. We hardly expected to win, but we did not let them have the seat by acclamation as they expected and they will find us very much alive next time.

My friends stuck well to me and we succeeded in cutting the majority in the town nearly in two.

Wishing you the Compliments of the Season.

I remain,

Yours sincerely
