

37191

The country will realize
 in ~~Southwestern~~ your loss
 another of the sacrifices
 that have been occasioned
 and ~~fact of the~~ that it
 is continuing to mean
 to Canadian homes. There
 will be nation-wide sympathy
 with Lady Byng
 and yourself, but in the
 hearts of your friends
 a feeling of sorrow quite
 too deep to express in words.

With kindest sympathy
 Helen M., dear Sir Allen
 and Mary Manning Jones
