

Manitoba act is about the same, but certain words of this subsection are left out.

Latest decision of Privy Council holds that this appeal to the Gov. in Council must be for some purpose, - that act if not undone would be legal, this is ^{last interpretation of this clause} (Sub section 4) - Govt is given power to legislate & correct the pre-judicial effect of the province refuses to correct it itself. But only to the extent of what has been done.

The initiative is taken by Gov. in Council, Govt cannot take the initiative. If province refuses the Gov. in Council refers the matter to Govt.

Sec. 95.
Concurrent
powers of legis.
re agric. &c.

Sec. 95 in reference to agriculture & immigration. It is the only section in the act which deals with concurrent legislation. Each province may legislate re, immigration & agriculture & its legis. holds title the dominion legislates on this point & conflicts with province.
