Dr. Eugene Forsey,  
Ottawa, Ontario.

Dear Eugene:

I was so glad to have a letter from you about Ostry and was delighted to have a talk with him. He is a very interesting young man and is engaged on a work which deserves every encouragement; and further, I am satisfied he is the right man to do the job.

Could you give me his present address, as there is a subject I want to write him about? The subject is the reported refusal of the leading Archivist to allow bona fide inspection of papers in the Archives. This seems to me most high-handed. Had you heard that Professor Ostry had been refused?

Yours sincerely,

AM/E.
