My dear Mr. Meighen:

Promptly on receipt of your letter of April 22,
I wrote to Mr. Manuel Levitt, as per the enclosed copy.

I am also writing to Mr. Palmer, who will be glad
to interview Mr. Levitt.

We have built a very efficient and satisfactory
organization in Canada, and while there may be some criticism
of the kind and character of our personnel from people outside
of the organization, naturally we have to leave to the
organization, as long as they are efficient, the judgment of
the people they do employ.

I am sure, however, that Mr. Levitt will get a
very sympathetic hearing from Mr. Palmer, and possibly if there
is an opening, or when an opening occurs, Mr. Palmer may see fit
to give Mr. Levitt a trial.

With very cordial regards and good wishes, and
hoping again to have the pleasure of being with you in the near
future, I am

Sincerely yours

A. Schwartz
