Sir, ..

The doctor will accompany me on all these trips.

I presume the Department knows that the R.C.M.P. changed their men at the coast. Sergeant Stangroom is in charge there now, he is a well educated gentleman, with lots of experience. Corporal Campbell told me he would call in at Ottawa and settle up all outstanding matters regards 1922 annuity in the near future. He was arranging with the bank here yesterday for transfer to the Indian Department of a considerable sum of cash he had on hand.

I am, Sir,
Your obedient servant,
