

Ottawa, July 24, 1939

Reverend Sir:

I have received an order from a firm in Ottawa for 10 dozen baskets. They would like delivery as soon as possible as they plan to put on a display at the Ottawa Exhibition and to feature our Indian handicraft. The exhibition runs from Aug. 21 to Aug. 26 inclusive. If the baskets could be sent to Ottawa within the next two weeks they might order an additional amount for the Exhibition.

It must be understood that unless the baskets are as good as the last order they will be returned.

You may submit vouchers for payment as explained in my letter of July 18.

Yours very truly.
