xx 666,  
June 29th, 1923.

Your File No. 2/1/11.

Dear Sir:-

Replying to your letter of the 23rd instant with reference to the Scale Bills for two booms of logs out from Toquanna Indian Reserve and scaled at Nanaimo, I am herewith enclosing the same, which I have just received from the Victoria office of the Forest Branch on my application. These are copies of those sent over from the Vancouver office, where all Scale Bills are sent in the first place, and a record kept of all operations on the lower Mainland South of Prince Rupert and Vancouver Island.

If you will visit the Vancouver office occasionally to look over the returns in their books you will be able to check up with the Scale Bills which I send you, for, as in this instance, there may be other occasions when they neglect to send me the Scale Bills.

Yours truly,

WED/D.

W. E. Ditchburn.  
Chief Inspector of Indian Agencies.
