

## THE SUMMER MORNING.

**A** GAIN Aurora pours her purple light  
O'er all the scenes which ev'ning  
bath'd in dew;  
The blooming landscape brightens  
on the sight,  
And Nature wakes her melodies  
anew.

But, ah! the tuneful warblers  
raise their voice,  
And vernal Nature smiles for me  
in vain:  
I sadly note their varied charms, and  
bear  
Deep in my soul the winter of  
despair.
