

It is to the advantage of everyone to become more familiar with the many uses of Gillett's Lye. There is probably no article on the market to-day that is useful for so many purposes. It cleans and disinfects; makes soap; removes ordinary obstructions from drain pipes; removes grease and crust from frying and roasting pans; will exterminate rats and mice; kills roaches, vermin, etc. Gillett's Lye is absolutely pure, and therefore a totally different article from the "just as good" kinds that some dealers attempt to substitute for the old and original Gillett's Lye.
