EXPORT TRADE KELLY'S DIRECTORY

OF
Merchants, Manufacturers and Shippers of the World

Price, \$12.50 delivered

Annually by KELLY'S DIRECTORIES, Ltd., London, Eng.

The lists cover every country. With each country will be found classified lists of the Consuls, Banks, Manufacturers, Importers, Exporters, Merchants, Brokers, Shipping Agents, and other trades of importance to Exporters and Importers, together with a concise statistical account of its financial position, its ports and principal towns — with a short topographical account and the population of each. All trade headings are given in English, French, and the prevailing commercial language spoken in the country taken, so that the book can be readily used by people in any country. These features are not to be found in any other Directory, and are the means of making it readily understood in all countries.

It is the only Directory containing a fully representative Canadian and United States section that circulates abroad, and the frequent mention of the book in consular reports proves the extent to which it is consulted by purchasers in all parts of the world.

The publishers hold the British Royal Warrant, and the British Government Offices and the more important Consulates are supplied with a copy of the book.
