PLANS WANTED

The undersigned is prepared to receive plans for the erection of a Presbyterian church at Regina up to the FIRST OF MARCH, 1904.

The building to be of brick on stone foundation, concrete footings, seating capacity 1,000. Particular attention to be given to interior, exterior plain. For further particulars as to details, etc., apply to

P. MCARA, JR.,
Regina, N. W. T.

Tenders Wanted

Sealed tenders will be received by the undersigned up till noon on FEBRUARY 26, 1904, for

Asphalt Paving Blocks

and

Portland Cement

in such quantities as may be required by the City of Windsor during the current year. The said Paving Blocks to be three inches in thickness and in all other respects of the standard size and of the best quality, and the said Cement to be of a strength and quality satisfactory to the City Engineer. In both cases samples must accompany tenders, the same to be retained for comparison with the material delivered. The successful tenderer will be required to enter into a written contract to be prepared by the City Solicitor and to furnish a satisfactory bond for the due fulfilment of the conditions of the contract.

The square yards of Asphalt Paving Blocks required is estimated at 24,000, more or less, and the quantity of Cement at about 4,500 barrels. In both cases delivery to be made in such proportions and upon such dates as may be mutually agreed upon. The Cement to be delivered to b. railway cars or dock in this city. In respect to the Asphalt Blocks, tenders to state point of delivery.

The city reserves the right to reject the lowest or any tender.

Further information may be obtained from the undersigned.

STEPHEN LUSTED,
City Clerk.

Windsor, Feb. 4th, 1904.
