

supply of paving brick and rubble stone.

—The City Engineer has submitted to the Board of Control the plans and specifications for the proposed tunnel under the bay from the Island to the City, and tenders will be invited at an early date.—The Gunther property, situated on the w. s. of Poplar Plains road, between Dupont street and St. Clair ave., has been placed on the market by F. J. Smith & Co., estate and financial agents, 16 Adelaide street east. Several large lots have changed hands within the past two or three weeks and handsome detached residences will be built thereon this spring by H. H. Beck, of Winnipeg, F. C. Annesley, James Milne, E. A. Macdougall, W. C. Jephcott and others. The restrictions against the land provide that each building must cost at least \$4,000.—The Bank of Toronto have purchased 205-205½ Yonge street from the Macpherson estate, R. Greenwood, of Adelaide street, acting as agent. It is probable that a branch bank will be built on the site.—A Buffalo capitalist has purchased the property at 55 Bay street, having a frontage of 31 feet, and intends building a four storey warehouse to cost \$50,000. F. H. Robins negotiated the deal.—Tenders are wanted at 9 Baldwin street for erection of three roughcast and brick veneer dwellings on West Lodge ave.—The following building permits have been granted: J.
