A teacher in one of our city schools defined conscience as "something within you that tells you when you have done wrong."

"Oh, yes," said a little lad at the end of the room; "I had it once last summer after I'd eaten green apples, but they had to send for a doctor.'

Two More Remarkable Records of Guernsey Cows.

Imp. Itchen Daisy 3rd 15930, Adv. R. No. 100, who made a most creditable record as a two-year-old-9958.7 lbs. milk. 553.83 lbs. butter-fat-which placed her at the head of her class, has just completed another year's test, which places her at the head of the four-and-a-half-year-old class, she gaining that position by 700 lbs. milk and .9 lbs. fat. She is the first cow to have the distinction of standing at the head of two classes in the Regio

She calved, Sept. 8th, 1905, and commenced her record on the 13th, and made the following record, supervised by the New Jersey Agricultural Experiment Station (record from Sept. 13th, 1905, to Sept. 12th, 1906):
