O.K. CANADIAN POTATO DIGGER

"Money In Potatoes," is invaluable to farmers. Haven't you a copy of this book? Write at once—we'll send one free—also Catalogue.

Canadian Potato Machinery Co. Limited., Galt, Ont.

YOU wouldn't think of getting your potato field ready for planting by using a spade and a hand rake. You use a plow and harrow—and let the horses do the hard work. Let the O.K. CANADIAN POTATO DIGGER and the horses dig your potatoes this year. All you do is sit on the machine and drive. The O. K. Canadian digs the potatoes—separates roots—cleans off the dirt—and deposits the potatoes in rows behind the machine. This machine is as great a time-saver and work-saver as the reaper and binder. O. K. Canadian is easily drawn by two horses. If you have a big crop of potatoes, write us at once about getting an O. K. Canadian—the digger that has won first prize wherever exhibited.
