YOU MAY BE CURED YET! HOLLOWAY'S OINTMENT. CURE OF RHEUMATISM AND GOUT.

Extract of a Letter from Mr. Thomas Brunton, Landlord of the Waterloo Tavern, Coatham, Yorkshire, late of the Life Guards, dated September 28th, 1848.

Sir,—For a long time I was a martyr to Rheumatism and Rheumatic Gout, and for ten weeks previous to using your medicine, I was so bad as not to be able to walk. I had tried doctors and medicines of every kind, but had to no avail, indeed I daily grew worse, and felt that I must shortly die. From seeing your remedies advertised in the paper I took it, I thought I would give them a trial. I did so. I rubbed the Ointment in as directed, and kept cabbage leaves to the parts thickly spread with it, and took the Pills night and morning. In three weeks I was enabled to walk about for an hour or two in the day with a stick, and in seven weeks I was able to go any where without one. I am now, by the blessing of God and your medicines, quite well, and have been attending to my business more than seven months, without any symptoms of the return of my old complaint.

Decide my case of Rheumatic Gout, I have lately had proof that your Pills and Ointment will heal any old wound or Ulcer, as a married woman, living near me, had had a leg for four years, which no one could cure, and I gave her some of your Pills and Ointment, which soundly healed it when nothing else would do it. For your information I had the honour to serve my country for twenty-five years in the first regiment of Life Guards, and was eighteen years a corporal. I was two years in the Punjab War, and was present at the Battle of Waterloo. I was discharged with a pension on the 2nd September 1833. The Commanding Officer at that time, was Colonel Lygon, who is now a General. I belonged to the troop of Captain the Honourable Henry Baring. (Signed) THOMAS BRUNTON

Extract of a Letter from Mr. Andrew Brack, Blacksmith, Eyemouth, near Berwick, dated the 10th of August, 1848.

Sir,—With pleasure and gratitude I have to inform you that after suffering for 21 years with a bad leg, which yielded to no kind of treatment, although I consulted, at different times, every medical man of consequence in this part of the country, but all to no purpose. I was frequently unable to work; and the pain and agony I often endured no one can tell. My leg is now as sound as ever it was in my life by means of your Pills and Ointment, which I purchased from Mr. I. Davidson, Druggist, Berwick-upon-Tweed, who knows my case well, and will, I am sure, be happy to certify with me, if necessary, as to the truth of this wonderful cure. (Signed) ANDREW BRACK.

AMPUTATION OF TWO TOES PREVENTED. Extract of a Letter from Mr. Oliver Smith Jenkins, dated Falkirk, August 15th, 1848.

To Professor Holloway. Sir,—I was superintending, about six months ago, the erection of one of our Railway Bridges, and by the fall of a large stone my right foot was seriously bruised, which ultimately got so bad, that I was advised to go to Edinburgh to consult some of the eminent Surgeons, which I did, and was told that in order to save my foot, two of my toes must be taken off. In despair, I returned home to impart the melancholy news to my wife, intending to submit to the operation, it was then a thought struck me to try your valuable Ointment and Pills, which I did, and was by their means in three weeks enabled to resume my usual occupation, and at this time my toes are perfectly cured. (Signed) OLIVER SMITH JENKINS.

AN EXTRAORDINARY CURE OF A DESPERATE SKIN DISEASE. On the 21st July, 1848, the Editor of the "Hull and York" Newspaper, published in India, inserted the following Editorial article in his paper: "We know for a fact, that Holloway's Pills and Ointment act in a most wonderful manner upon the constitution, as an eccentric Coole, called Eliza, employed in our Establishment was afflicted with myriads of Ringworms, which defiled all the Meers Doctors, and promised to devour the poor man before he was a month he was perfectly restored to his former condition and cleanliness of skin. The effect was miraculous."

The Pills should be used conjointly with the Ointment in most of the following cases:—Bad Legs, Cancers, Scalds, Bad Breasts, Contracted and Sore Nipples, Burns, Stiff-joints, Sore Throat, Elephantiasis, Skin Diseases, Ringworms, Fungus, Scurvy, Itch, Gout, Sore Heads, Cocco-foot, Glandular swell Tumours, Chiepo-foot, Ulcers, Chilblains, Lumbago, Wounds, Chapped-hands, Piles, Rheumatism, Corns (Soft), Rheumatism, Yaws. TO THE PUBLIC. An Effectual and Never-failing Cure for Erysipelas.

THE SUBSCRIBER has for some time prepared a most Efficacious Cure for Erysipelas, and Eruptions of the Skin, which has not only immediately relieved all who have used it, but effectually cured them. She is desirous that those who are afflicted with what, in many cases of that disease, is considered incurable, and that all who are suffering from its attack, may have the benefit of the wonderful POWER OF HEALING in this Medicine, and removing all disease of Erysipelas and Salt Rheum.

MRS. C. BERTAU, NICKLAU. It may be procured from any of the following AGENTS: John Naylor, Esq., Halifax. Andrew Henderson, Esq., Annapolis. Daniel Stone, Esq., Kentville. William H. Troop, Esq., Wolfville. Rider Samuel McKeown, Barrington. T. B. Palfrey, Esq., Liverpool.

CERTIFICATE. Of persons who were suffering from severe attack of Erysipelas, who had tried the many remedies which are usually prescribed from which they found no relief; but on applying Mrs. BERTAU'S MEDICINE were effectually cured. This is to certify, that I have been afflicted with the Erysipelas, or the Salt Rheum, as the Doctors call it, for ten years. My hands were frequently so diseased, that I could make no use of them. I employed several physicians, but to no purpose as my suffering only increased. I applied Mrs. BERTAU'S MEDICINE for a short time and was soon cured of every vestige of the disease. The hands of which I speak, are now as long and painless as before removed, was much more than tongue can express. After three years from the time when I used the Medicine, I was threatened with a relapse or return of the disease. I applied the Medicine and the disease disappeared. From that time to the present, I am perfectly free from all symptoms of Erysipelas or Salt Rheum. I therefore heartily recommend it to all who are similarly afflicted, as a speedy and effectual remedy. ANN S. WHEELOCK, NICKLAU. August 5, 1847.

This is to certify that my wife was attacked with Erysipelas in the face. I applied Mrs. BERTAU'S MEDICINE, and the first application stopped its progress, and continuing to use the medicine, in less than a week her face was quite well. ELIAS GRINES, WILMOT. May 1st, 1848.

This is to certify that my son was severely afflicted with the Erysipelas in his leg last summer, so badly that he could scarcely sit for five successive nights. I then procured some of Mrs. BERTAU'S MEDICINE, and applied it, and in the course of one week, the boy was well, and I verily believe if I had not used the above Medicine, that he would have lost his life. WILLIAM GORDON, Sworn before me, THOMAS G. WARELOCK, Esq. May 16, 1850.

This is to certify that my daughter about a year ago had a very severe attack of Erysipelas in her head and face, so much so that there was little hope of life. Medical aid was called, but the word was, that all was over as the dreadful disease had overspread the brain, and she was raving distracted. In this extremity I had accidentally heard of Mrs. BERTAU'S MEDICINE. I went and got a small phial, and proceeded to apply it as directed, and almost immediately the disease was arrested from further progress, and in a few days, the swelling was gone, and her natural colour returned, and she is now alive and well. WILLIAM McEWAN, Wesleyan & Athenaeum, 6 mo. 24.

TO INTENDING EMIGRANTS FROM NOVA SCOTIA. THE CANADA COMPANY would suggest to parties who may contemplate leaving Nova Scotia that the Western Section of Canada offers every inducement for them to settle there, rather than that they should proceed to the United States. In Upper Canada they will find a most healthy climate, and abundance of excellent Land to be obtained upon easy terms from the Government and Canada Company. The great success which has attended Settlers in Upper Canada is abundantly evidenced by the prosperous condition of the Farmers throughout the Province, and by the success of many of our Settlers from Nova Scotia and Nova Scotia who have settled in many Townships—and by the individual progress made by several thousands of people who have taken Land from the Company. The Canada Company's Lands are offered by way of Lease for Ten Years; or for Sale Cash down. The plan of 1-5th Cash and Balance in Installments, being done as usual.

The Rents, payable 1st February each year, are about the Interest, at six per Cent., upon the Cash Price of the Land. Upon most of the Lots, when Leased, no Money is required down; whilst upon the others, according to locality, One, Two, or Three Years' Rent must be paid in advance, but these payments will free the Settler from further Cash, until the Second, Third, or Fourth year of his Term of Lease. The Settler has secured to him the right of converting his Lease into a Freehold, and of course, stopping payments of further Rents, before the expiration of the Term, upon paying the purchase Money specified in the Lease. The Lease has thus guaranteed to him the entire benefit of his improvements and increase of value of the Land, should he wish to purchase. But he may, if he prefers, refer to call for the Freehold; the option being completely with the Settler. A Discount of Two per Cent., will be allowed for anticipated payment of the purchase Money for every unexpired year of Lease, before entering the Tenth Year. The Lease has also secured to him the benefit of the Settlers' Savings Bank Accounts. The Street trade now opening up between Upper Canada and Halifax presents facilities for cheap passage to the St. Lawrence to the upper Lakes, in the vicinity of valuable lands open for settlers. Printed Papers containing full and detailed particulars, may be procured gratis from the Rev. B. Evans, Halifax, or those permitting the Company will themselves refer for inquiring parties to him, as a gentleman long resident in Western Canada, and who will afford information respecting the Company's Lands, and upon Canada generally. Commissioners of the Canada Company's Office, Toronto, C. W., April 5, 1851. April 25.
