DARLOR ALBUM In five Quarto Volumes.

Price \$9.00 per volume, or \$40.00 PER COMPLETE SE Description of the Work. The Parlor Album is doubtless the most extensive ART GALLERY ever published, and by those who, have examined, the several portions of the Work, it has been pronounced "The Climax of Benuty." Each volume contains 20 full page Chromo Lithographs, in Oil Colors, 40 full page Steel Engravings, 40 full page engraving on twood, and 260 pages of reading matter, descriptive of the filustrations, the whole making each volume about one half as thick, and same sized pages of Webster's largest Dictionary. Each volume is complete in itself and will be sold separately if desired. Sold by Substription only.

Vol I is devoted to Wild American Birds.

Vol II Contains Wild American Animals.
Vol III American Domesticated Birds and Au-Vol IV Foreign Birds and Animals. Vol V, Fishes, Reptiles and Insects. This work will at once commend itself to the cul-tive ed American people, and no library will here-after, be complete without this addition to its treasures; while as a parlor amusement it is uned by American publications.

Agents Wanted. We will give agents very liberal terms for selling the above described publications, and, wish to appoint an agent in every town in the United States and British Provinces. Experienced book agents and all other persons of respectability should apply at once. Any young man or young lady, can, by devoting a short time during the day and evening, secure a complete set, tree of expense, or, if preferred, we will allow large commission in cash.

We have prepared a most beautiful SPECIMEN BOOK FOR AGENTS. containing 5 of the Oil Chromos, 10 Steel Engravings, 10 Wood Engravings, and 50 pages of descriptive reading, being selections from each volume together with blank paper, specimens of binding Our Specimen Book has cost us quite largely,

THE objects contemplated in the formation of this Society are three-fold, viz., First.—To secure to Stockholders a profitable return on their gradually accumulating capital, by its safe investment on real estate. Second.—To afford to borrow-ors facilities for obtaining legitimate loans on the security of their property, and to enable them to repay such loans by periodical instalments spread over a period of ten years. Third.—To provide all the advantages of a thoroughly secured Savings Bank system of business, and paying a higher rate of interest than is paid by those institutions.

Shares may be taken up at any time, and matured either by monthly investments or in one amount. Money is received on deposit, bearing interest at six per cent. per annum, compounded half yearly.

six per cent. per annum, compounded half yearly.

Monthly investments bear interest at six per cent,
compounded monthly at maturity. Paid up shares compounded monthly at maturity. Paid up shares bear interest at seven per cent, per annum, compounded half yearly at maturity.

The attention of the industrious classes of tradesmen, and of professional gentlemen, is respectfully invited to these arrangementd. The wealthy classes will find in this Society a thoroughly safe and convenient mode of investing in shares, and one that will relieve them from much anxiety in seeking after safe channels through which to make their investments.

estments.

This Society confers all the advantages of the Savings Bank, pays a higher rate of interest, with more accommodating terms and equal security.
