ELGIN
WATCH

There is no watch in the world so famous as the Elgin. It is the watch of the world, the watch of the future, the watch of the past. It is the watch of the world, the watch of the future, the watch of the past. It is the watch of the world, the watch of the future, the watch of the past.

It is the watch of the world, the watch of the future, the watch of the past. It is the watch of the world, the watch of the future, the watch of the past. It is the watch of the world, the watch of the future, the watch of the past. It is the watch of the world, the watch of the future, the watch of the past.

A Man is Only as Old as His Teeth.

Some men are old, some are young. The man who has good teeth is young, the man who has bad teeth is old. As the teeth grow, the man grows young.

Abbey's
Salt

Abbey's Salt is the best salt in the world. It is the salt of the world, the salt of the future, the salt of the past. It is the salt of the world, the salt of the future, the salt of the past.
