

PLAYER-PIANO

"HUMAN TOUCH"

THE STANDARD OF CANADA

Our Trade Mark "Human Touch" is not an empty phrase—

But a name given the instrument because it reproduces the exact "Touch" and "phrasing" of the natural hand so faultlessly that any one listening from a separate room could not distinguish the difference

This is the result of using a special patented device in the construction, which is so simple that it lessens the complication as well.

The cut herewith shown is our style 10, ready to be used as a Player-Piano

MADE IN STYLES TO SUIT ANY REQUIREMENT. CATALOGUES AND PRICE LIST ON APPLICATION.
