

Maybe you are still unconvinced of the fact that your bottled goods would sell quickly if sealed with ANCHOR CAPS. Perhaps you are one of the few dealers who fancy certain labels are all sufficient to create bigger sales. But, the fact is daily becoming more apparent that bottled goods sealed with the absolute security of ANCHOR CAPS prove far better sellers than those whose closures leave doubt as to the well-preserved quality and flavor of the contents. Wide-awake grocers everywhere recognize that ANCHOR CAPS materially add to the selling value of bottled goods. Your jobber can supply you with ANCHOR CAPS on any line whatever. *Insist* on same with your next order, you will find it well worth while.
