The Grain Growers' Guide

GEORGE F. CHIPMAN
 Editor

JOHN W. WARD
 Associate Editor

PUBLISHED under the auspices and employed as the Official Organ of the Manitoba Grain Growers' Association, the Saskatchewan Grain Growers' Association, and the United Farmers of Alberta. Published every Wednesday at Winnipeg, Canada. Authorized by the Postmaster-General, Ottawa, Canada, for transmission as second class mail matter. The Guide is the only paper in Canada that is absolutely owned and controlled by the organized farmers. It is entirely independent, and not one dollar of political, capitalistic or Special Interest money is invested in it. All opinions expressed in The Guide are with the aim to make Canada a better country and to bring forward the day when "Equal Rights to All and Special Privileges to None" shall prevail.

Subscriptions to any part of the British Empire, \$1.00 per year; three years, \$2.00, in advance. Foreign subscriptions, \$1.50 per year in advance. Single copies 5 cents. Send money by express, post office or bank money order. We cannot accept responsibility for currency sent loosely in a letter.

We believe, thru careful inquiry, that every advertisement in The Guide is signed by trustworthy persons. We will take it as a favor if any of our readers will advise us promptly should they have reason to question the reliability of any person or firm who advertises in The Guide. Change of advertising copy and new matter must reach us seven days in advance of date of publication to ensure insertion. More time must be allowed if proofs are desired.

Fairbanks-Morse Engines

New Illustrated Folder Giving Prices FREE for The Asking

Suitable for Crushing, Grinding, Pumping, Wood-Sawing and General Farm Work. Engines of the quality of workmanship and material embodied in the Fairbanks-Morse, cannot be produced by any other manufacturer at as low a price as is shown in a large folder which is now in the mail for those on our regular mailing list.

The Fairbanks-Morse Engine can be depended upon every day in the year and every hour in the day, regardless of the weather. Thirty-five years' experience and a million-dollar Canadian factory are behind the Fairbanks-Morse guarantee.

Over 160,000 Fairbanks-Morse Engines in successful operation. Over 90 per cent. of all Fairbanks-Morse Engines manufactured still in active service, is proof of their durability.

Even at old prices they are the cheapest engines in the world, if you consider total cost throughout their exceptionally long life, for, amongst other things, they use 20 to 50 per cent. less fuel than other makes.

The Circular We Are Now Issuing Embodies Brand New Prices and Ideas on Engines for the Farm. That is to say, you are now offered the opportunity to buy the markets' highest standard of Engine Efficiency at prices

TYPE "H" GENERAL PURPOSE ENGINE

such as you have probably before this had quoted you on a much inferior make.

No changes have been made from our high quality standard of the past. You are assured of the same satisfaction that has made the name Fairbanks-Morse famous the world over.

The Savings quoted in our latest circular represent upwards of 25 to 30 per cent.

Not only this coming Fall and Winter, but every day, year in and year out, for all the odd jobs about the farm, you will find use for a small engine. Give us only the opportunity, and we can easily prove to you that a Fairbanks-Morse Engine is your best investment—and at the prices we now quote is a labor and a money-saving opportunity never before offered.

If descriptive folder giving prices has not reached you, drop us a post card. It is free for the asking and will save you money.
