### Railroad Strike Narrowly Averted

By Courier Leased Wire.  
Chicago, Feb. 10.—Representatives of the Brotherhood of Railway Trainmen and the General Managers' Association met today to complete an agreement reached last night which averted a threatened strike of 5,000 switchmen on eighteen railroads entering Chicago.  
The agreement was reached after a protracted conference lasting until long after midnight, when the representatives of the roads conferred with a committee of wardens, headed by James Murdock, vice-president of the Brotherhood of railway trainmen, met five specific demands of the men on questions of discipline and operation. Rules also were agreed upon, which, it was said, would prevent similar controversies arising in the future.  
Both Mr. Murdock and George Hannauer, chairman of the railroad's conference committee asserted that they were satisfied with the settlement of the dispute. About 5,000 switchmen, affiliated with the Brotherhood of Railway Trainmen, or two thirds of the switchmen in Chicago, had voted to strike if the demands were not granted.
