Wolville Town Council

The regular monthly meeting of the Wolville Town Council took place May 7th the Mayor and all councillors present.

The Streets Committee reported that damage to streets by washouts had been repaired. The committee had been convened to consider the application of Superintendent Johnson for increase in salary and had decided to increase the salary from \$600 to \$700 per annum. The committee had placed an order for a street sweeper.

The Water Committee reported the putting in of a number of sewers for new houses to be erected. The watershed lands had been visited and inspection and arrangements made for finishing the fencing of this property. The committee had made an inspection of the Earncliffe avenue service and reported it to be ample for present needs.

The Sewer Committee reported work begun in the direction of relaying sewer on University avenue and outlined other operations to begin shortly. It was suggested that \$15.00 be paid to Mr. E. C. Johnson for damage occasioned his property by overflow.

The Police Committee reported one arrest during the month and one license granted to auctioneer.

Four applications from persons, to keep pigs, outside the restricted district, were read and referred to license committee.

The resignation of Mr. A. E. Coldwell as Town Clerk, and of Mr. C. H. Borden, as assessor, were read. Applications for the former position were read from Messrs J. B. Tingley and S. C. West.

Mr. Coldwell's resignation to take effect June 1st. was accepted and the Deputy Town Clerk was instructed to write Mr. Coldwell and express the regret of the Council at the necessity of such a step. No action was taken as to his successor.

Couns. Haycock, Sleep and Harris were appointed a committee to confer with Mr. C. H. Borden and seek to induce him to re-consider his resignation as an assessor.

A number of accounts were read and ordered paid.

The Council decided to accept the offer of Mr. James Thomson of Halifax, for the town's five per cent debentures, at par, up to eight thousand dollars.

It was decided to pay Mr. E. C. Johnson the sum of \$15 for damage done his dykeland by overflow of the sewer.

After a lengthy discussion it was finally decided to pay Supt. Johnson two hundred dollars from the street construction account, in view of his superintendence of the construction of permanent streets.

A delegation from the Children's Aid Society of Kings Co. appeared before the Council with the request that some ordinance be adopted and enforced by the Council to prevent children being abroad on the streets after a prescribed hour in the evening. Addresses were given by Messrs. Percy Brown, H. Stairs, Rex, W. H. Rackham, Mrs. DeWitt, Mrs. Moore, and others. Mayor Chambers stated that the matter would have the careful consideration of the Council.

Mr. W. H. Chase appeared before the Council as a representative of the Board of Trade and presented a number of suggestions with reference to improvement needed in the matter of street lighting, ornamental trees on the streets and other subjects. The Council expressed their appreciation of these suggestions and promised to give due attention. Council Adjourned.

Windsor Tribune Notes

Miss Ethel Roach left this morning for Kamloops, where she expects to spend the summer with her sister, Mrs. J. Ross Archibald. En route she intends visiting at the home of her brother Mr. Harold Roach, in Langdon, Alta. Her many Windsor friends wish her a pleasant trip.

Norwegian Streamer Brings Fertilizer to Windsor—There is being unloaded here this week, 19,000 bags of Fertilizer, brought to this port by a Norwegian Steamer. Gangs of men are working night and day. The Fertilizer is consigned to the United Fruit Company of the Annapolis Valley, discharging the cargo.

On Saturday last Mr. George King arrived here from New York to settle the difficulty between the quarrymen and the Company. The result of the conference is that the men returned to work yesterday, and Mr. King returned to New York. We have not yet heard the terms of the agreement, but understand that the matter has been arranged with mutual satisfaction to all concerned.

WHEN BABY CRIES

When the baby cries continually do not put it down for pugnaciousness—that is not the baby's nature it is to be happy and laughing. Every baby should cry on an average of fifteen or twenty minutes a day that is how he strengthens his lungs. But mothers if your baby gives sharp piercing cries or low sobbing wails, he is in pain and needs attention. Nothing will relieve the little one so quickly as Baby's Own Tablets. They regulate the stomach and bowels, expel worms, break up colds, and will make baby healthy and happy. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

By steeping the scabby potatoes for two hours in water, containing two percent of formaline the spores of the scab will be killed. Ground where scabby potatoes have been grown should have some other crop grown on it on the two following years, as it requires a lapse of two years before the spore of the scab cease to communicate the disease to a new crop of potatoes.
