provements and fire protection.

There is one sentence in the Engproperly, though it is correct when spoken. Here is the sentence, though of course, there is no rule for writing it: "There are three twos in the English language." But the problem is too, or to-to write? We have the three toos-but we must spell each of the three differently, so the sentence cannot be written correctly.

READY FOR CONVENTION

Secretary Lawler Has Arrangements Complete for Annual Meeting of Forestry Association-Some of the Speakers.

Everything is now in readiness for he meeting of the Canadian Forestry Association in the City Hall, Regina, on Sept. 3. The meetings will be opened by Lieut.-Governor Forget at of welcome by Premier Scott, Mayor Williams and Mr. P. McAra Jr. president of the Board of Trade. The LABOR DAY work of the association will then be taken up. The subject in the morning will be tree planting on the L ReducedFares L prairies, by Mr. Angus Mackay, superintendent of the Experimental Farm, and Mr. A. Mitchell of the Tree Planting Division. In the afternoon Mr. A. D. H. Ross, M.A., M. F., lecturer in forestry, Toronto University, will deal with the Dominion Forest Reserves. Game Protection will be discussed by Mr. J. P. Turner, secretary Manitoba Game Protective Association, and Mr. T. N. Willing, chief game guardian for Saskatchewan. These papers will all be folowed by discussions which will make them very practical. In the evening Mr. Norman M. Ross, chief of the LABOR DAY Tree Planting Division, and Mr. A Knechtel, inspector of Forest Reserves, will deliver a joint illustrated CANADIAN PACIFIC RAILWAY Hall. All these meetings are free to the public and all ladies and gentlemen interested are cordially invited. On Saturday there will be an excursion to Indian Head to visit the forest nurseries. Mr. James Lawler. secretary of the association, has been in the city this week and a number of visitors are expected tomorrow and Friday morning.
