On Sunday evening last the Rev Mr. Railey, a missionary among the British Columbia Indians, who is at present visiting in this section, addressed a large congregation in the Methodist church. The subject of his Methodist church. The subject of his address was: Paganism on the Pacific Coast. The speaker graphically described the majestic appearance of the country in which the B. C. Indians I dwelt, and the effect it had upon their superstitious minds. The reverend gentleman spoke of the social condition of the aborigines at the time the gospel was introduced among them, the change wrought, and the part phayed by the doctrines of Christianity played by the doctrines of Christianity in effecting it. Though the evils had decreased there was still much work o be done, as numerous pagan villages leasure of listening to so interesting, loquent and instructive an address that delivered on this occasion, and it cannot fail to have the effect of arousing a deeper interest in missionary work, especially in that of the home

When the English Church picnic closed on Wednesday evening last, the committee found that they had a large regular blow-out. The suggestion was regular blow-out. The suggestion was at once acted upon, and a goodly crowd of Athenians went down to assist in serving up the viands, as well as to help the inmates dispose of the same. The tables were laid in the spanious dining room, and were the spacious dining-room, and were tastefully set. Bouquets of flowers placed at intervals added very much to Hanton, sr., is at present seriously ill, and no hopes are entertained of his recovery.
