Confide in a Woman

How Women Act While Consulting a Male Physician.

A woman is sick; some disease peculiar to her sex is fast developing in her system. She goes to her family physician and tells him her story, but not the whole story. She holds something back, loses her head, becomes agitated, forgets what she wants to say, and finally conceals what she ought to have told, and thus completely mystifies the doctor. Is it any wonder, therefore, that the doctor fails to cure the disease? Still, we cannot blame the woman, for it is very embarrassing to detail some of the symptoms of her suffering, even to her family physician. It was for this reason that years ago Mrs. Lydia E. Pinkham determined to step in and help her sex. Having had considerable experience in treating female ills with her **Vegetable Compound**, she encouraged the women of America to write to her for advice in regard to their complaints, and being a woman, it was easy for her ailing sisters to pour into her ears every detail of their suffering. In this way

Mrs. Pinkham, in Lynn, Mass.,

was able to do for them what the physicians were unable to do, simply because she had the proper information to work upon, and from the little group of women who sought her advice years ago, a great army of her fellow beings are to-day constantly applying for advice and relief, and during the last year many, many thousands every month have written and received valuable advice and help. Nowhere except at Lydia E. Pinkham's laboratory in Lynn is there such an amount of information at hand to assist in the treatment of all kinds of female ills, from the simplest local irritation to the most complicated diseases of the womb. The records of all the many hundreds of thousands of cases as to which hadvice has been asked are there kept on file by Mrs. Pinkham, and from this vast experience she is able to do more than the family physician for ailing women. Any woman, therefore, is responsible for her own suffering who will not take the trouble to write to Mrs. Pinkham for advice. The testimonials which we are constantly publishing from grateful women establish beyond a doubt the power of **LYDIA E. PINKHAM'S VEGETABLE COMPOUND** to conquer female diseases.

S. S. NO. 15, RALEIGH.

Following is the report of the Easter examinations in S. S. No. 15, Raleigh:

Class I.—W. Larabee.
Class IV.—M. Gay, E. Haskell, W. Gay, C. Sykes, G. Marriott, T. Burse and M. Fleming, absent.

Class III, Sr.—R. Pepper, F. Graham, O. Ryan.

Class III, Jr.—B. Ryan, G. Haskell.

Dr. Pierce's question of health becomes mainly a question of nutrition. If the stomach and other organs of digestion and nutrition are kept in a healthful condition there will be a well-nourished body, and little liability to disorders of the liver, bowels or other disorders as may result from in-nutrition and lack of exercise.

Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition, and also diseases of other organs which are caused by the diseased condition of the stomach. By enabling the perfect nutrition of the body it increases the vital power and promotes a vigorous old age.

"I was suffering from chronic diarrhoea for five years," writes Mrs. Mary A. Aaron, of Belle, Phelps Co., Mo. "I tried different remedies, which would give me relief for a short time only. My trouble would return as bad as ever. I consulted you in July, 1900, and by your advice commenced using Dr. Pierce's medicines. I took two bottles of the 'Golden Medical Discovery,' three vials of the 'Pelle's,' and some of the 'Extract of Sarsaparilla,' as you advised. I have not had any return of my trouble since using your medicines. Am now seventy-one years old and I never had anything to relieve me so quick. I think Dr. Pierce's medicines the greatest on earth. Should I ever have any return of my trouble shall use your medicine. My thanks to you for your advice and thanks to Almighty God for restoring me to health through your hands."

Accept no substitute for "Golden Medical Discovery." There is nothing "just as good" for diseases of the stomach, blood and lungs.

Dr. Pierce's Pleasant Pellets, the best laxative for old people. They cure constipation and biliousness.

For a full and complete description of Dr. Pierce's medicines, send for a free copy of the "Golden Medical Discovery" book.

Dr. Pierce's medicines are sold by all druggists and by mail order.

WHAT HAPPENS AFTER FIVE HOURS.

Dr. Bouchard, the eminent French physician, has furnished facts which show that if food is retained in the stomach, more than five hours it becomes fermentative and retroactive, not digestive, and that this is the starting-point of disease.

This food mass becomes putrid. Generates gas. The stomach dilates. There is a seeming lump-weight, burning, or belching.

Blood, fibre, tissue, and cells begin to absorb poison from the stomach and alimentary canal instead of nutrition, and right here is the producing cause of Constipation, Diabetes, Bright's Disease, Uterine and Ovarian troubles, Rheumatism, Gout, Nervous and Mental Distress, Bronchitis, Heart Affection, Pulmonary Consumption, Jaundice, Liver and Skin Diseases.

Inability of the stomach to properly handle food is usually caused by overeating, drinking too much liquid, gases generated from slow digestion, preventing the mixing of food with gastric juice to properly prepare it for use by the body.

Dr. J. S. Leonard worked for years in perfecting Anti-Pill, so that it would guarantee regular stomach action, and its astonishing cures are proof of its mission being fulfilled; of its being the greatest System Treatment in the world. 50 cents of druggists, or mailed to any address by WILSON-FYKE CO., Niagara Falls, Ont.
