breeder of Chicago, paid this office a visit  
on Saturday. He is on a visit to this sec-  
tion of the country, being the guest of Mr.  
Henry Arkell, and is visiting all the  
noted sheep breeders in the Province. He  
intends getting out a Canadian edition of  
the Sheepbreeder's Journal in August on his  
return home.

The Department of Education has  
issued a new programme of studies for  
High schools and Collegiate Institutes.  
The most important and desirable change  
is the inclusion of a thorough course in  
commercial work and geography, and the  
giving to this course the same opinion  
and as much prominence as is given to  
languages, botany and physics.

Mr. A. Biddle, formerly of the Guelph
