AT THE THEATRE

A Temperamental Orchestra

Oberhoffer is not only temperamental out he has an orchestra that reflects his vivid conceptions and fiery moods. His-players are artists to a man and in the course of years he has gathered around him performers who are strangely Obernofferian-closely related in musical temperament to the man behind the baton.

PAEONIES

A Paper by Dr. J. S. Clark, Read at a Meeting of the Brandon Horticultural Society.

Everything points to a big success being scored by the local amateurs in the being farce-comedy "A Busy Liar" which will be presented under the auspices of the Women's Hospital Aid Society at the Opera House on Thursday evening, and the society is enthusiastic over the prospects of a nice financial addition to their efforts which are so worthy of supprospects of a nice financial addition to their efforts, which are so worthy of supeffects, as I present it for your consideratubers rooted plants; to throw in old tion; but remember that Apollo was the boots or rubble, and cover well with both

> and sunny Spain were set out side by side and the wind and the bees did their allotted work; when lo! new forms arose; until is exceedingly rich and varied and lasts all she has blossomed and budded and filled summer long, and at last blazes out like maple leaves to greet the autumn frosts. It is possible that Alex. Ross will make the race in North Calgary on the Labor the race in North Calgary on the Labor.
