### Why Will You,

Allow a cold to advance in your system and thus courage more serious maladies, such as Pneumonia, Hemorriages and Lung troubles when an immediate relief can be so readily attained. Boschee's German Syrup readily attained. Boschee's German Syruphas gained the largest sale in the world for cure of Coughs, Colds and the severest Lung Diseases. It is Dr. Boschee's famous German prescription, and is prepared with the greatest care, and no fear need be entertained in admidistering it to the youngest child, as per directions. The sale of this medicine is unprecedented. Since first introduced there has been a constant increasing demand and without a single report of a failure to do its work in any case. Ask your Druggist as to the truth of these remarks. Large size 75 cents. Try it and be convinced.

AND ITS DESTINY.
