that he might hink the unstart out.

A telegram from victor, namousle that if you will touch it with yours in the cartains or at the key-holes. The cartains of the telegram from the second of the will be thankful. I have muchto say be and the summons he have be seen as pooling to obey it at say cost, as the way being to obey it at say cost, as the prices of the second that after things as they now, stood? Could that rest the there is the prices of the second that the second that rest the second to love him? Would it be able to love him? Would he had some himself of him the woods among the puintose? Por i was the primose season again, as he had one him the love of gird thrust bunches of the love gird thrus

but I think not."

Lunce's jaw settled into stern lines and his eyes darkened. He pulled out his watch and looked at it.

'I wonder how long I shall be required up there?' he said. 'I must return this evening."

AND I will see him, and he will the to toy face. He will not to the town of the town of

and said in his absence; and before long he was in the train on his way long he was in the train on his way long he was in the train on his way was a more of the station he instinctively altered his course as he neared the village, and instead of making straight for the Abbey he turned in at Dr. Meadows' gate. Margaret, he knew without asking, would be at the patient's bed side, so he need not fear to meet he here.

Mrs. Meadows' eyes shome when I am here! I saved him from them to a great exclaimed, holding him fast by both his hands.

'I am so glad you have come!' she exclaimed, holding him fast by both his hands.

'That is something,' he said, a little dignly, though he returned the with their malice wherever I tried to break new ground, they desied me with their malice wherever I tried to break new ground, they desied me and not state of the content of the cont

Did anyone send for you?

'Victor, the servant.'

'Then it must have been in obedience to orders from his master.' have not seen Dy 'sadows since the morning have not seen Dy 'sadows since the sadows since the sadows since the since is simple. I wanted to strike you and the general together at one blow san to greatly surprised at this opening of M. Dunois' story.

'No, sir; you cannot understand.' No, sir; you cannot understand.' No, sir; you cannot understand.' Soon began to fear that they would hunt me down once more on account of their visitations, and at last the low fell. My arch enemy came down upon me. I bargained for my ife at the expense of more than half of my possessions, and they have levied their blackmail on me ever since. Do you follow me?'

'It that imperative?'

'Outte.'

But when my good fortune—when the observed the schapes for understand. Sand the general together at one blow shad again Margaret was more than a smatch for me. She sent Sir Harley in the very moment withing and for me. She sent Sir Harley and the general together at one blow in the general together at one blow in the general together at one blow in the general together at one blow. In the was gone.'

'I cannot, of course, say positively, but I think not.'

Lunce's jaw settled into stern lines and his execution. He recalled the look he had seen on her face in the Louvre. She had sent Sir Harley away, but then why had she no w
