erybody has heard of a "horse laugh," who has ever seen an equine gifted with sumption, which is universally acknowledged to be scrofula affecting the large, would have been looked upon as miraculous, but now people are beginning to realize that the disease is not incurable. Dr. Pierce's Golden Medical Discovery will cure it, if taken in time and given a fair trial. This world-renowned remedy will not make new lungs, but it will restore diseased once to a healthy state when other, means have failed. Thousands gratefully testify to this. It is the most potent tonic, or strength restorer, alterative, or blood-cleanser and nutritive, or fiesh-builder, known to medical science. For Weak Lungs, Spitting of Blood, Bronchitis Asthma, Catarrh in the Head, and all Lingering Coughs, it is an unequaled remedy. In derangements of the stomach, liver and bowels, as Indigestion, or Dyspepsia, Elliousness, or "Liver Complaint," Chronic Diarrhea, and kindred ailments, it is a sovereign remedy.
