Binding and Printing News.

Owing to the rapid growth of our BINDING AND PRINTING DEPARTMENTS, we have been compelled to seek larger quarters for this branch of our business. We have, therefore, purchased the Daymond Building, next to the Trade Review Office, on Duckworth Street, and have just moved there. This gives them three times more space than they occupied in our Water Street Store. The printing plant now has the whole street floor, while the Bindery occupies both the floors above. Now, with greater space, more and better machinery, and a large staff of expert rulers, printers and binders, we are prepared to fill your every order from the smallest label to the largest special account book. The price will be right, and the workmanship cannot be excelled. A stock, a staff and a store especially adapted for commercial printing. We specialize in making loose leaf sheets for all binders, in special account books and in bill heads, statements, envelopes, bills of lading and commercial forms generally. See samples of the work we have done and get our prices. We have over FIVE MILLION ENVELOPES in stock, and these we can give you printed from \$1.70 per 1,000 up.
