Obituary.

Captain Patrick Delaney.

With regret to chronicle the demise of a veteran in the person of Capt. P. Delaney, whose death took place at his late residence at 3 A.M. yesterday. The deceased was born at Bay Roberts, and had reached his 65th year. He went to sea when but 14 years of age and continued until about four years ago when he was appointed ship's husband with the Royal Company which position he held until his death. He had been ailing for some four months past, and the end was not altogether unexpected. As a sailing captain he met with considerable success in the eighties. He had charge of the coastal boats Culew and Grand Lake, leaving the latter to take charge of the S. S. Bruce or the Cabot Strait service in 1888. During his career as a mariner he held the unique record of never having lost a man. To his widow, his son Augustus, and his daughter, Mrs. James Tilley, the Evening Telegram extends sincerest sympathy in union with that of the many friends throughout the island who will bear with regret of the departure of this skillful mariner.

Mother The Child is Costive, Bilious

Don't hesitate! A laxative is necessary if tongue is coated, breath bad or stomach sour.

Give "California Syrup of Figs" at once—a teaspoonful to-day often saves a sick child to-morrow.

If your little one is out-of-sorts, half-sick, isn't resting, eating and acting naturally—look, Mother! see if tongue is coated. This is a sure sign that it's little stomach, liver and bowels are clogged with waste. When cross, irritable, feverish, stomach sour, breath bad or has stomach-ache, diarrhoea, sore throat, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated poison, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well playful child again. Mothers can rest easy after giving this harmless "fruit laxative," because it never fails to cleanse the little one's liver and bowels and sweeten the stomach and they dearly love its pleasant taste. Full directions for babies, children of all ages and for grown-ups printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a recent bottle of "California Syrup of Figs," then see that it is made by the "California Fig Syrup Company." Don't be fooled!

The Minstrel's Parade.

The seamen of the Manchester Commerce paraded the principal streets yesterday to the strains of their improvised band. Quite a number of small boys followed the procession which was witnessed by a large number of citizens from points of vantage along the line of march. They received numerous donations and returning to their ship seemed highly pleased with the reception accorded them during the parade.

The Recent Fires

SEBASTIAN STREET.

On Wednesday at 1 p.m. an alarm was sent in from box 314, summoning the Central and Western Companies to a house on Sebastian Street, owned by James Martin, and occupied by Martin Lacey. The fire was caused by a defective chimney, some sparks having got into the casing of the same. The blaze was extinguished in a few minutes and the "all out" signal sounded at 1.10 p.m.

BOWRING'S HARDWARE.

At 4.50 p.m. when one of the bands at Bowring Bros. was lighting the gas in the western window of the hardware department, the decorations caught fire and an alarm was rung in but before the firemen arrived on the scene it was all out. Very little damage was done.

BOWRING'S HARDWARE.

The Central and Western Companies responded to an alarm from box 34, at the corner of Waldegrave and George Street at 4.10 p.m. yesterday. The fire was in a house owned by P. Pechan and occupied by M. Bennett, who with his wife was in the theatre when the fire took place. When the companies arrived on the scene the interior was in flames, and before the blaze was under control the building was totally destroyed; also the contents. No insurance was held on the latter and the loss to Bennett is a heavy one. The "all out" signal rang at 4.45 p.m.

Prospero From the North.

The S. S. Prospero arrived back from the northward yesterday, having been as far as Grignon. On the going trip conditions were very unfavourable as two snow storms were experienced. Morgan, Parsons, Anthony, Blackmore, Williams, Dunn, Capt. Yates, J. Manuel, D. Manuel, J. Parnell, Luther, Hillier, Hodder, Wheeler, Hutchins, Carew, Cloutier, N. Lodge, S. Lodge, F. Morris, P. At the Asylum.

His Excellency the Governor and Mrs. Davidson accompanied by the Private Secretary visited the Poor Asylum yesterday and expressed their sympathy to the inmates, and brought rays of sunshine to their hearts by the presentation of a number of appropriate and highly appreciated gifts. All the wards were visited and His Excellency expressed himself highly pleased. It must have been gratifying to the Superintendent and inmates of the institution to see the interest displayed by their Excellencies during their visit.
