worse every year. I was affected from head to ankles. It seemed to appear like hives at first, then I would begin to scratch until I tore my fiesh. It would always be at its worst at night. I have waked myself up at nights scratching and my fingers would be just stiff and cramped from soratching, so that I would be hardly able to straighten them out. My, how I have suffered! My face and whole body would be just a mass of blotches red as fire and after having soap and water on my face then I would begin to burn. I have lain awake for nights at

a time when my eczema was at its worst. "I would be tortured for months at a time. I was getting not only disheartened, for nothing helped, but completely disfigured also, but dame fortune smiled upon me one day in the summer of 1910 and laid before

my eyes an advertisement of Cuticura Remedies. I used them according to directions and after a few applications I began to feel and see relief ahead. It is nearly six months since I first began and I can truthfully say I've found a cure." (Signed) Miss Louise E. Wilson, Dec. 12, 1911. Cuticura Soap and Cuticura Ointment are

"and I have had nothing to eat for three days." Moved with pity, one of the soldiers Gunner Fouchard, gave the little fel-low a piece of bread and a tablet of tchocolate he had in his pocket, and took him under the shelter of his heavy cloak. Some time later the sol-diers were relieved, and the lad had to leave his benefactor. He crept away again into the darkness, and a minute later the sound of a shot was heard. The boy had shot himself through the head.
