AVON

Too late for last week.

During the thunder storm on Tuesday May 15th Mr. S. A. Smith, proprietor of the cheese factory, had a very narrow escape. He was driving to Ingersoll to attend cheese board, and when near Cramp-ton a flash of lightning struck a tree on the side of the road. The shock knocked Mr. Smith off the seat of the buggy against the wheel and felled his horse. Mr. Smith recovered himself and after some difficulty he got his horse up and went on to town. He had a very close call and will not soon forget the experience.

A little son has come to brighten the home of Mr. Julius Tiekey.

Sentenced To Death

"You are in the last stages of Consumption and cannot live more than a month," were the words of doom heard by Mrs. Rosa Richardson, of Laurel Springs, N. C., from her doctor, "but she began to use Dr. King's New Discovery" writes R. L. Daughton, of that place, "and was wholly cured by it. She is now a stout, well woman." It's the supreme cure for desperate diseases of throat and lungs. Instill it for Coughs, Colds, Bronchitis, Asthma, Croup, Whooping Cough. Guaranteed bottles 50c. and \$1.00. Trial bottles free at J. E. Richards' drug store.

Card of Thanks.

To the Teachers and Pupils of Aylmer Public Schools.

It is with deepest sense of gratitude, which I cannot find words to express, that I acknowledge the kindness and thoughtfulness displayed on the birthday of our beloved Majesty, Queen Victoria, in repeating the patriotic choruses for the benefit of Mrs. Warnock, whose illness prevented her from leaving the house. I can assure you that nothing could have given her greater pleasure, nor had a greater tendency to improve her condition, and she joins with me in the hope that, as the children reach more advanced years, they may retain the same sentiment, and the purity of expression which so thrilled us on the occasion referred to above.

Sincerely yours

W. WARNOCK.

Blown to Atoms.

The old idea that the body sometimes needs a powerful, drastic purgative pill has exploded; for Dr. King's New Life Pills, which are perfectly harmless, gently stimulate liver bowels to expel poisonous matter, cleanse the system and absolutely cure Constipation and Sick Headache. Tiny Bibles.

In Russia miniature Bibles are often worn as watch charms. One of these Bibles is owned by a Bostonian who received it from a friend living in Russia. It is about one inch long, three-fourths of an inch wide and three-eighths of an inch thick and contains the first five books of the Old Testament. The text of the book is in Hebrew and the titles in Latin. It can only be read with the help of a powerful magnifying glass.

It may well be said that life is monotonous. In 50 years we undress for bed no fewer than 18,350 times, dressing again after each night's repose with cheerful resignation.—Tit-Bits.
