An Association Football Game | 2:16. Hermina, Anna Lyle, Barney Adfor Saturday.

New Rugby Pootball Rules Much Criticised.

Results of the Inquest in the Last Fatal Boxing Match - Lively Scene at a Football Match in Scotland.

FOOTBALL.

NEW RULES CRITICISED. Writes "Keeper," in London Mail: In Rugby Union circles, as well as in Northern Union, the new rule of the latter body, which requires the ball when out of touch to be punted into play again, has been very much criti-It was alleged that it promoted heavy charging, the backs waiting to receive the ball, and one famous player, F. W. Cooper, of Bradford, deplayer, F. W. Cooper, of Bradford, declined to play under the new system. Referees, however, have been very strict in penalizing players for unnecessary charging, and it is contended Stalker: persident, C. E. Dauphin; vicethat the punt-in is no longer a source of danger. Cooper turned out for the first time for Bradford and made a ful! back to start with, but becoming convinced that his fears were groundless, he resumed the three-quarter posi-tion in the second half, and has now ed for another season. consented to play there regularly.

LIVELY SCENE. A strange story is narrated by "Scotvinside Park, Kirkintilloch, a week \$2,500. ago Saturday. Rob Roy was contesting a tie in the first round of the Dumbartonshire cup with Heiensburgh Ardencaple. A great deal of excitement matters came to a climax in the second half. Helensburgh, with the score two to one against them, put the ball into the net, but the goal was disalprevailed from the beginning; but into the net, but the goal was disallowed. Immediately after, Rob Roy put on a third goal, and from this point the game became very rough.

Manager Irwin, of the Torontos, has Two of the visitors made a show of attacking one of the Rob Roy backs.

This was the signal for the by-thisinto the same team. Lush, Smith and of the same team. Lush, Smith and the same team team. time-frantic spectators to break into the field of play, which speedily became the scene of a fierce faction fight. Several of the Ardencaple men, fight. Several of the Ardeneaple men, who were the visiting team, were somewhat badly mauled, and they left the game unfinished with the score standing at three to one against them. The Scottish Association will have something to say regarding this fracas.

GAME FOR SATURDAY. be played on the asylum grounds on saturday next between the asylum and Gatkins, third baseman, of Lock Hadeglate boys, noted for their brilliant leased. Washington has drafted Casey, individual and combination plays and clever goal shooting, while the Pottersburg team will have for their defense fied President Powers that Toronto is bles, Bryant and Fitzgerald, of the Collegiate.

Our "Dark" Continent

A Great Unexplored Region in South America.

No Need for Intrepid Adventurers to Go to Africa for Excitement.

Africa is no longer the dark continent. Explorers have gridironed it with their routes. Probably no geographical soothing lullaby had again caused him question of the first importance re-mains to be settled there. In its most the lioness Juno occupies a roomy important aspects, Africa is now revealed, and its study in detail will be springs, Pompey, Brutus and Diana topic he probably had no equal.

Manager Irwin, of the Toronto baseball club, is satisfied that he will have ball club, is satisfied that he will have largest explorations of the future will be made. Of the great land masses, South America is the least known, and offers the greatest prizes to explorations of it which was a compliment tion.

All that part of Colombia lying east of the Cordilleras, a region as large as given, as fitting their tender age, the Time prov. Texas, is almost wholly unknown except along the courses of four or five of The great, watchful mother passed her e larger rivers which were mapped paws through the bars and listened.
