KENNEL MEETING OF INTERNATIONAL ASSOCIATION.

Chatham, Nov. 16.—The annual meeting of the International Field Trials Association was held Monday evening. B. Wells, Chatham; executive committee, A. C. McKay, Thomas Guttridge, I. L. Nicholls, W. D. Tristram, A. Wells, George Kime (Chatham), L. H. Smith (Strathroy), Dr. Totten (Forest), A. J. DOAN'S KIDNEY PILLS

don't cure the cold but they do take away its effects by regulating and strengthening the kidneys. Never was a case of kidney disease that they could not cure.

MR. CHAS. BROWNING, who lives at 18 Clinton St., Toronto, Ont., for more than a year was troubled with terrible pains in his back. When he stooped down he found it hard to rise up again. His urine was a dirty brick color, and sealed when voided. "One box of Doan's Kidney Pills completely cured me of my urinary troubles," said he, "and gave me relief from the pain in my back. They have proved themselves a splendid medicine, and I must give credit where credit is due."

beasts and pigs." This has aroused a storm of indignation against the "rascally contractors and incapable admiralty transport officers who allowed filthy, salted brisket beef to be furnished to the troops."

MIDNIGHT BOMBARDMENT.

Cape Town, Nov. 16.—A Port Tull dispatch says: There is great activity in the Boer camp south of here. A reconnoitering party, sent along the line, heard heavy firing in the district. The party returned to Col. Speckler's camp, on which the enemy was advancing in force. It was shelled at midnight, stampeding every horse and mule, but not touching a man. The Boers number 4,000. It appears the Boers surrounded Bichestore, where a small party stubbornly resisted, ultimately retiring to the bush and leaving Port Tull. An officer and five troopers are missing from Speckler's force, which had been out some days, reconnoitering the enemy's force.

BOERS TACKLE THE BECHUANAS.

London, Nov. 16.—The Times publishes the following dispatch from Bulawayo, dated Thursday, Nov. 9: The Boers attacked the Bechuana Chief Khama at the Selik Kop on our side of the Crocodile River yesterday and were repulsed. Khama is confident, and is working heartily with us. He is supported by a hundred men from here. Chief Linchwe, who was at first loyal, is thought to be wavering.

SUGLE NOTES.

The British war office has accepted a gift of 10,000 plum puddings for the troops in South Africa. The puddings will aggregate upwards of 10 tons in weight.

Denmark's sympathy for Britain shows up in the shape of 50,000 boxes of butter contributed by Copenhagen merchants for the use of British troops in South Africa.

In Liverpool the provision trade recently subscribed \$10,000 to the Transvaal war fund. The president cabled the result to business friends in Chicago, who say \$5,000 has been subscribed there and more is to follow. The Earl of Kimberley, Liberal leader in the House of Lords, in a speech at Newcastle said that the present war was an absolute necessity. He refused to believe that Colonel Secretary Chamberlain had ever been guilty of acting in such a way as to provoke war. The worst that could be charged against Mr. Chamberlain was that he had been guilty of bad diplomacy. The cable between Mozambique and Lorenzo Marquez has been repaired. The Vatican is neutral.

Reinforcements.

REACH THE BRITISH AT EST-COURT.

Escourt, Natal, Monday, Nov. 13.—Noon.—The West Yorkshire Regiment has arrived here. The bombardment of Ladysmith has been resumed. Heavy firing was heard early this morning. An armored train was sent out on a reconnaissance towards Colenso. [Escourt is about 30 miles from Ladysmith.]

THE REPORT OF JOUBERT'S DEATH.

London, Nov. 16.—The most startling news from the seat of war today is the report of the death of Gen. Piet Joubert, the commander-in-chief of the Boer forces. The report needs confirmation, but many people believe it to be well founded, as the general's death is said to have occurred Nov. 9, when the Boer riflemen were understood to be within 1,500 yards of Ladysmith.

SEVERE FIGHTING

between the British and the Boers the same day has since been reported and it is regarded in some quarters as quite possible that Gen. Joubert, always noted for his personal courage and coolness, may have dangerously exposed himself in a personal reconnaissance of the British position. Even Gen. Joubert's most bitter enemies admit that he fought squarely and fairly, and his action when Gen. Symonds died in expressing his sympathy, elevated him to the high regard of all soldiers. It is claimed that the death of Joubert would be likely to lead to the adoption by the Boers of bolder and more active tactics, as he had considerable difficulty in restraining his hot-headed followers.

The dribble of news this morning brings the information that Ladysmith was still undergoing on Sunday a bombardment from six 40-pounders. The British naval guns were silent. The

Boers, therefore, have got more heavy guns into position, while either the British ammunition has given out, or the British gunners were reserving their fire.

MANY MOURNED

Impressive Obsequies of the Late Magistrate Parke.

The funeral of the late Police Magistrate Parke took place at Woodland Cemetery yesterday afternoon. The ceremonies were of a very quiet character, but it was so in deference to the desire of both himself and family. The number of friends and prominent citizens who gathered at the residence, "Ingleside," Ridout street south, was very large, and the esteem which the kindness of the late gentleman had won for him among the poorer people of the city, was evidenced by the large numbers of those of his humbler classes who gathered to pay their tribute to one who was always their friend. The representation of the Bar was very large. Impressive services were conducted by the Very Rev. the Dean of Huron. Among the many beautiful floral tributes were a pillar from the members of the police force, a pillow from the members of the Bar and a harp from the officers and clerks of the Dominion Savings Society. The pall-bearers were: Messrs. C. H. Elliott, Geo. B. Harris, Ira Lewis (county crown attorney of Huron), W. J. McMurtry, Toronto; Col. Leys, M.P.P., Dr. Bettridge, Strathroy; Geo. A. Somerville, John Purdon, John Milne, Francis Love, Col. Macbeth and Thos. Partridge.

A detachment of 25 policemen, under the command of Chief Williams, marched at the head of the cortege. Before the funeral procession the four-fifths of a mile of Radway's Ready Relief I could use my arms as well as ever. You can see why I have such great faith in your Ready Relief. Yours truly, W. C. BAKER, Engineer at A. Montelone's Boot and Shoe Factory, 939 Julia street.

PITCHER-ELLIS.

A fashionable wedding took place in Coldwater, Mich., on Nov. 9, the contracting parties being Miss Emma Virginia Ewing, daughter of the late Charles Ewing, and niece of Thomas Beattie, M. P. of this city, and Mr. Charles Ellis Pitcher, jun., of Chicago, Ill. Miss Ewing, who is a former pupil of the Sacred Heart Convent, in this city, was assisted by her sister, Miss Maude, charmingly attired in white. The happy affair took place at the residence of the bride's mother, and was witnessed by only a few relatives and friends. After the dinner and reception Mr. and Mrs. Pitcher departed for their home in Chicago.

LUMBAGO

or pain in the joints and small of the back, is occasioned by a congestion of blood in that part, caused by exposure to a cold or a draft of air, checking the perspiration. The counter irritant and diffusive stimulant properties of Radway's Ready Relief admirably adapt it for the cure of this disease. The Ready Relief should be applied to a large surface and well rubbed in. It is quite wonderful how readily it relieves the pain of this distressing complaint. In some cases the pain is so extreme that there is danger of inflammation setting in and extending to the kidneys. In that case take at once a dose of Radway's Pills, and at the same time keep up the application of the Ready Relief, and the most obstinate case will yield to this treatment. Plasters in general do harm in these cases of pain in the side and back—they gum up the pores and prevent the proper action of the respiratory glands and stop the natural exhalations of the skin.

"Worth its Weight in Gold."

Hoxban, Ind. Ter. DR. RADWAY & CO., New York: Gentlemen,—I send inclosed M. O. for which you will please send me one dozen Radway's Ready Relief and one dozen Radway's Pills. Your Ready Relief is considered hereabouts to be worth its weight in gold. This is why I am induced to handle it. I have handled Oil for some time, but I consider the R. R. R. far superior to this, as it gives better satisfaction. J. M. ALEXANDER.
