# Chelsea Green

LONDON, ONT., Sept. 15th, 1904.

Dear Sir or Madam:-

I beg to call your attention to the Chelsea Green Survey, You may wish to purchase a home and save rent, and you may not have much money. The Company will sell you a lot and build you a house to suit you, and will only require a small payment down and you can pay the balance of the purchase money in monthly payments, the same as rent.

If you have only \$50.00 or \$75.00 or \$100.00, do not be afraid to call and see me. REMEMBER:-

That there are good sewers.

That the water mains are being laid and you will be supplied with first-class spring water.

That a school will be built on the property

That you will not be charged with taxes for this year.

That your taxes will be county taxes. That the land is high, dry and healthy.

That part of the property will be reserved as a Park and Recreation Grounds.

That no intoxicating liquors will be allowed to be sold at any time on the property.

That the southeast part of the city is where a majority of the workingmen will be employed in

the future. That Chelsea Green cannot be surpassed as a building site for a home.

You will be sorry if you do not build a home and go and live on Chelsea Green.

If you own property in the city I can sell it for you and you can live cheaper on Chelsea Green than you can in the city, as taxes are very low on Chelsea

Go over and see the property for yourself and then call and see me, or drop me a card and I will call and see you.

> Yours sincerely, THOS. C. KNOTT, Room 101,
