LONDON LACROSSE CLUB WINS OPENING GAME WITH BRANTFORD

Locals Start O. A. L. A. Season Off in Fine Style Before Fairly Good Crowd of Fans-Manager Collins Has Gathered a Likely Team Together-Score Was 8 to 3.

Twenty-four thinly-clad individuals with gutted sticks gathered at Tecumseh Park Saturday afternoon and perpetrated a lacrosse game on a fairly large bunch of unsuspecting but enthusiastic fans. It was the opening game of the lacrosse season in London, and probably the first real game of lacrosse that has been committed for several years in this city. Brantford intermediates were the opposing players, and it is with a feeling of real pride that we announce that London won. The score was 8 to 3. announce that London won. The score was a to

Judging from the interest displayed in it by the fans who were present the game seems to have caught on in London, and if the locals can cop couple more games and show a little more finished work than Saturday's, the fans should turn out in crowds to support them. As it was, Saturday's ga was decidedly worth while. Although there was nothing much to it but Lo was decidedly worth while. Although there was nothing much to it but London, the visitors put up a good stiff argument, and there was no noticeable loafing on the part of any of the London players. Several times some nice runs, and pretty stick work had the crowd cheering, and the team made quite an impression for its first time out.

SOME GOOD PLAYERS.

The local club has five or six splendid lacrosse players, while the others derson, Holly and Acheson, Manager Collins has a quartette of players who can show some real lacrosse, and their work was displayed brilliantly throughout the contest. Anderson scored the majority of the London goals, his shooting being particularly effective, while Penny and Holly also shone in this

Slattery Starred For Visitors.

The Brantford team was a fast one, although the manager claimed that several new players were being tried out, and a much faster team would appear the tages meet in and a much faster team would appear in London again when the teams meet in July. Slattery was the bright star of the visitors, and this little fellow proved a heap of trouble until he was forced to retire in the last quarter owing to cramps. He scored the first two Brantford goals, running right through the London defence both times. Several other times he broke through, but good wark by Broley in goal and poor shooting robbed him of a goal. The visitors scored all their goals in the second and third quarters.

both times. Several other times he broke through, but good wark by Broley in goal and poor shooting robbed him of a goal. The visitors scored all their goals in the second and third quarters.

Anderson Scores First.

Anderson started the scoring for London in twelve minutes, and Penny made it two a minute later on a neat shot in front of the goal. At the quarter the score was 2 to 0 in London's favor, and in the opening minute of the second quarter London scored again. Slattery notched Brantford's first on a nice play in 4½ minutes, and at half time the score re-
