R, The

Facts For Sick Women

We know of no other medicine which has been so successful in relieving the suffering of women, or secured so many genuine testimonials, as has Lydia E. Pinkham's Vegetable Compound.

In almost every community you will find women who have been restored to health by Lydia E. Pinkham's Vegetable Compound. Almost every woman you meet has either been benefited by it, or knows some one who has.

In the Pinkham Laboratory at Lynn, Mass., are files containing over one million one hundred thousand letters from women seeking health, in which many openly state over their own signatures that they have regained their health by taking Lydia E. Pinkham's Vegetable Compound.

Lydia E. Pinkham's Vegetable Compound has saved many women from surgical operations.

Lydia E. Pinkham's Vegetable Compound is made exclusively from roots and herbs, and is perfectly harmless.

The reason why it is so successful is because it contains ingredients which act directly upon the female organism, restoring it to healthy and normal activity.

Thousands of unsolicited and genuine testimonials such as the following prove the efficiency of this simple remedy.

Bellevue, Que.—"Without Lydia E. Pinkham's Vegetable Compound I would not be alive. For five months I had painful and irregular periods and inflammation of the uterus. I suffered like a martyr and thought often of death. I consulted two doctors who could do nothing for me. I went to a hospital, and the best doctors said I must submit to an operation, because I had a tumor. I went back home much discouraged. One of my cousins advised me to take your Compound, as it had cured her. I did so and soon commenced to feel better, and my appetite came back with the first bottle. Now I feel no pain and am cured. Your remedy is deserving of praise."—Mrs. Emma Chabot, Valleyfield, Bellevue, Quebec.

Women who are suffering from those distressing ills peculiar to their sex should not lose sight of these facts or doubt the ability of Lydia E. Pinkham's Vegetable Compound to restore their health.

MR. COMEAU CALLS ATTENTION TO VARIOUS DALHOUSIE MATTERS

Alderman Sells Groceries to the Poor Committee and
His Check Renders the Bill—
Contrary to Law.

To the Editor of the Graphic,

Dear Sir:—

The columns of your valuable
paper have been used previously to
publish statements conducive to the
public welfare and I would feel great-
ly obliged if you will carry on the
good work by publishing this letter in
the Graphic.

I wish to call the attention to our
ratepayers to items of expenditure in
the Town Poor Department, as they
appear in the official book recently
published. The following items I re-
fer to are for H. McLean, groceries
\$28.25 and \$42.56, and I would like to
know who this H. McLean is, as there
is only one person of that name in
Dalhousie—Mr. Harold McLean, a clerk
in the store of Mr. Daniel McDonald,
one of our respected aldermen and a
church officer. If this is the H. Mc-
Lean referred to, then I find it my duty
to enquire into the circumstances
which led to his being the purveyor in
this case.

Clause 19 of the Town's Incorporation
Act 59 V. C. 44 s. 1 makes it
illegal for any officer of a town or his
employee to sell or contract with his
own town for supplies or work and
here we have the employee of one of
our aldermen acting in the town ex-
penditure lists. This looks like a con-
spiracy to enable aldermen of our town
to reap illegal benefits from their of-
ficial positions, and seems to me to be
the straw which shows how our
municipal wind blows.

If I have managed to place my finger
on one irregularity how many
might there be which are subtly
enough hidden to escape detection?

If my surmise as above is correct
I cannot find it in me to uphold Mr.
McDonald in his subterfuge, but find
it my duty unhesitatingly to denounce
the Mayor and Council as a body for
incompetence or neglect, as being
other accessories or careless observers
of such irregularities, and while I will
not accuse the phrase "municipal corrup-
tion" for the present at least, it will
require a full and completely satisfac-
tory explanation to change my ideas
on the subject.

The writer is making a fight for
purity and tranquility in our town af-
fairs, and trusts that the ratepayers
will stand by a policy that looks for-
wards an end giving perfect satisfac-
tion and which carries a death-blow
to such excess.

Thanking you for your valuable
space, I am,

Yours truly

W. F. COMEAU

PHYSICIAN GIVES ADVICE

Tells Why So Many Suffer from
Catarrh and Rheumatism.

A distinguished physician, famous
for his successful treatment of
catarrh and rheumatism, kidney and
bladder troubles, states as follows:
"Your rhinoid, or cold, is not a
damp and changeable, to be had for
catarrh and the catarrh, and 'Pete'
will be taken off to let rhinoid
troubles run headway. In addition,
he states that a great many Gena-
lities are careless in their habits,
and to this as much as climate con-
ditions is due a great deal of the
trouble. Rhinoid, cold, and
catarrh will cause rheumatic
and catarrhal troubles in any
year."

This eminent authority gives the
following as the simplest and best
treatment known to science, and to
it he gives credit largely for his
success.

Fluid Extract Cascara, 15 cc.
Cascara Compound, 15 cc.
Simple Syrup, 15 cc.

each meal and at bedtime.
