HOW YOU CAN TELL GENUINE ASPIRIN

Only Tablets with "Bayer Cross" are Aspirin—No others!

BAYER

If you don't see the "Bayer Cross" on the tablets, refuse them—they are not Aspirin at all.

There is only one Aspirin, that marked with the "Bayer Cross"—all other tablets are only acid imitations.

Look for the "Bayer Cross". Then it is real Aspirin, for which there is no substitute.

Aspirin is not German but is made in Canada by Canadians, and is owned by a Canadian Company, all rights being purchased from the U. S. Government.

Genuine "Bayer Tablets of Aspirin" have been proved safe by millions for Pain, Headache, Neuralgia, Colds, Rheumatism, Lumbago, Neuritis.

Handy tin boxes of 12 tablets—also larger "Bayer" packages, can be had at any drug store.

Aspirin is the trade mark (registered in Canada) of Bayer Manufacture of Monoaceticacidester of Salicylicacid.

MILITARY AND POLICE RAIDS CONTINUE IN IRELAND

Entrance Into the Tipperary Club at Tipperary Forced by Soldiers, but Building Was Vacant.

Tipperary, Sept. 13—Entrance into the Tipperary Club was forced this morning by soldiers. They found the building unoccupied.

Cork, Sept. 13—The military and police raids which began yesterday in connection with the proclamation of the suppression of the Sinn Fein parliament and Sinn Fein organibations throughout Ireland were continued today. During the morning the raiders proceeded to the house of David Kent, a Sinn Fein member of parliament and searched the place. The raiders met with no opposition the search proceeding without incident.

CANADA A SOURCE OF SUPPLY FOR SOUTH AMERICA

Toronto, Sept. 14—That South Africa appreciates Canada as a source of supply was the opinion expressed by W. J. Egan, Canadian Trade Commissioner to South Africa, in an interview here to-day Canada to-day, said Mr. W. J. Egan, was undoubtedly much more in evidence with the leading commercial communities in South Africa than previously on account of her supreme effort in the great war, and part of her effort had secured for South Africa a source of supply in materials and given to Canadian commerce a customer on a scale which under any circumstances it would have taken years to convince business men in either country was possible.

According to Mr. Egan, Canada's exports to South Africa which for the years 1910-11-12 had averaged each year a total of $3,200,000, increased yearly after that and showed for the year 1918 a total value of $9,704,000 under the most different shipping conditions and without a dollar's worth of foodstuffs, which, in the $3,200,000 average, had formed fifty-two per cent of the total.

NEWFOUNDLAND SCHOONER LOST ON THE N. S. COAST

Captain and Crew Abandoned the Craft Friday Night and by so Doing Probbly Saved Their Lives.

Halifax, Sept. 14—The schooner Yukon, owned in Newfoundland, is a total loss at Clam Harbor. The vessel drove ashore at a part of the bay known as "Long Island," Saturday morning. In a dense fog of Wednesday morning they anchored there. For two days the crew remained on the vessel, in the face of a heavy gale, but Friday night Captain Hicks and the crew deoermined that it would not be safe to remain longer aboard and they put off in the boats and came ashore at Clam Harbor. The vessel rode out the gale that night At eight o'clock Saturday morning, however, the schooner broke away from her anchorage and ran ashore, broke up and became a total loss. The leaving of the crew on the night before may have meant the saving of their lives, for in the sea that was running then she struck it is a question if they could have got through. The Yukon was loaded with herring consigned to A. J. Birks, of Halifax.

The Only One.

"The Henneywey-Jones have got a lovely little baby girl," said the gossip with gusto.

"I know," said the young thing who was bored with the conversation. "And I know what they're going to call her."

"What?" said the gossip. "Why alert for fresh news.

"Margarine," the the flapper.

"What!" gasped the gossij. "Why call the child that?"

"Because they haven't any but her," said the flapper.

SICK WIFE'S STORY SURPRISES CAMPBELLTON

The following has surprised Campbellton: A business man's wife suffered from dyspepsia and constipation for years. Although she dieted she was so bloated her clothes would not fit. ONE SPOONFUL buckthorn bark, glycerine, etc., as mixed in Adler-i-ka relieved her INSTANTLY. Because Adler-i-ka empties BOTH large and small intestines it relieves ANY CASE constipation, sour stomach or gas and prevents appendicitis. It has QUICKEST action of anything we ever sold. A. McG. McDonald, Druggist, Campbellton, N. B.

The Tale of Perfect Time in a Watch. From Mainspring to Hairspring, between them lies the secret.

The Mainspring is the power which it transmits to the active parts of the watch. The Hairspring has the control and regulates the motion. The fitting is most delicate; imagine a 100th part of a hair, (Impossible isn't it?) Yet it is enough to interfere in its performance, so wonderful is the adjustment. The friction from accumulating dirt; lack of oil, etc., destroy these perfect fittings. Do not let your watch run to ruin from neglect. Remember my business is the care of watches, and my opinion costs nothing.

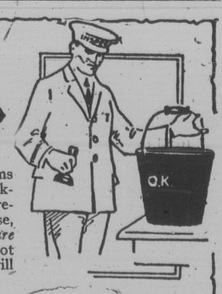
100% SANITARY



Germs flourish in the seams and joints of ordinary milk-pails. No matter how carefully you scald and cleanse, you never can be quite *sure* that some crevice does not harbor a colony which will make trouble later on.

EDDY'S INDURATED FIBREWARE MILK PAILS

are 100 per cent sanitary, because there are no joints or seams to cleanse. They are made in one piece, from wood pulp, under tremendous hydraulic pressure. The hard, glazed surface is baked on at high temperature, and is absolutely impervious to liquids. Eddy's Milk Pails are practically indestructible. They cannot be dented and no cracks can develop on the surface. Rust cannot attack them and no ordinary accident will do them injury. They cost no more than ordinary milk pails. They will save you labor *now*, and in the long run they will save you money.

OVERCOATS

We would advise all intending purchasers of winter overcoats to make their selection as early as possible, as it is more difficult to obtain deliveries of goods this Fall, than at any time since war broke out.

We have received a portion of our fall stock of these goods and would be pleased to have you call and examine them. You are under no obligation to buy simply because you look them over, it is not our policy to force a sale upon anyone as such sale usually means a dis-satisfied customer.
