competition which, in the value of the rewards offered as well as in the number of them, far exceed anything hitherto attempted by any publisher in the world.

Everything named in the list below will be given away without any reserve or postponement under any conditions.

The leading reward is a really first-class exceptionally well and solidly built brick residence, No. 46 Lansdowne avenue, Parkdat, the most beautiful suburb of Toronto, in all but name actualty a part of Toronto, in all but name actualty a part of Toronto, as the city now surrounds it.

The house is the middle one of three and is in first-class order, newly done over, papered, painted and contains large parlor, dining com, kitchen and hall on first foor, and three good bedrooms and large bath-room on second floor; in short all morears conveniences, and is a residence good enough for any one to live in. It will be given away subject to a mortgage of thousand dollars at seven per cent., which may be paid off by arrangement or may remain any length of time.

This competition will remain open until the list of December next, inclusive. It is earnestly hoped that our readers will take deal and the prince, and in brain offers at once. The lowing three words first mentioned in the Bible—First, Snow; second, WIND: third, Raix. The senders of the first 785 letters received at Truth office containing correct answers to those questions will take the following 785 rewards, and they will be given out strictly in the order of the letters come to hand:

Now our friends will please bear in mind that this is a bona fide offer; that it is made by a reputable publisher right here in Canada, and one who has a large stake in the country, that it is in no way to be confounded with any local or foreign scheme of any kind; that everything promised will positively be performed; our readers may rely on this.

Do not forget that every one competing must send one dollar for three months' subscription to Truth along with their answers. If The Ladies' Journal is preferred, fifty cents is all that is required to be sent. If stamps are sent for the half-dollar, three cents extra must be added for discount. Registered letters or postoffice orders are, however, the safest way to remit.

The competition remains open till the first day of December next inclusive. Letters wherever postmarked 1st December, '87, or any date between now and then, will be eligible to compete. They must, however, reach Truth office not later than twenty-one days after date of closing.

Address S. Frank Wilson, 33 and 35 Adeaide-street west, Torouto, Canada.

There is good value for your investment in any case, even if no rewards were offered, as Truth is a weekly magazine of thirty-two pages, and is the cheapest publication, considering size and merit, on the continent. The Ladies Journal also cannot be excelled as an attractive ladies' paper.

Any person can compete any number of times, and the papers will be sent to any desired address.

As a, direct investment, the publisher of Truth and Ladies' Journal claims that this would not pay at all, but his object is to get his publications into every home in the land, and when once a foothold is secured, the papers are sure to be constant visitors.
