A Prosperous Church.

The annual report of Cooke's Church shows a membership of 639, as compared with 486 a year ago. In the Sunday School are 437 scholars and teachers. A recommendation by the Board of Trustees that an increase of $500 per annum be made to the pastor's salary was adopted by a unanimous vote. The Trustee Board was authorized to obtain plans for the enlargement of the church and school room.

One great advantage of Burdock Blood Bitters over other medicines, is that it acts at the same time on the Liver, the Bowels, the Secretions and the Kidneys while it imparts strength.

THE NEW PARK HOSPITAL.

The Trustees Will Go Into Possession Next October—A Model Institution.

The trustees of the Park Hospital, who are now owners of the Wycliffe College buildings, will lose no time in arranging for the additions to the new hospital, which they propose to make out of the old college buildings. The donation of $40,000 by Hon. John Macdonald has enabled them to purchase the buildings, and they will go into possession on Oct. 1 next.

The new hospital will be, it is expected, a valuable acquisition to the medical college. In this hospital the higher branches of surgery will be made a particular branch of study, the nearness of the building to Varsity being looked upon as one of the most valuable features of the new institution.

No patients will be admitted except those suffering from the effects of accidents or from chronic diseases. All cases of contagious diseases will be rigidly excluded. There will be accommodation for some 80 patients, in addition to a number of private wards.

In re- anging the old college buildings so as to m a hospital, no reasonable expense will be ed to have the best possible disposal of space consistent with ample room for work. A new wing will be added and the whole interior of the building is to be re-arranged.

The weakness and debility which result from illness may be speedily overcome by the use of Ayer's Sarsaparilla. This is a safe, but powerful tonic, assists digestion, regulates the liver and kidneys, and cleanses the blood of all germs of disease.

The Humane Workers.

The monthly meeting of the Toronto Humane Society was held yesterday afternoon, Secretary Kelso presiding. A check for $200 was received from Mr. John Heward. Officer Wills reported that 800 persons had been "cautioned" for using a tight check-reign and for ill-treating horses and cattle during the year 1889, 245 cases have been brought into court. Of these, 230 were fined sums ranging from $50 to $1.

Mr. Beverly Jones brought up the matter of shop girls being forced to stand during long hours, and a resolution was passed condemning the practice. Rev. Arthur Baldwin spoke of the desirability of securing the Upper Canada College grounds for a public park and play-ground for the masses, and this committee was appointed to take steps towards this end: W. R. Brock, Mr. Jones, Rev. A. Baldwin, J. H. Pearce, J. J. Kelso, Capt. McMaster. Mr. E. E. A. Du Vernet has promised to act as counsel for the society in looking after the interests of young children arrested as vagrants.

The subject of newsgirls licenses will be laid before the Police Commissioner next week.

Severe colds are easily cured by the use of Hickie's Anti-Consumptive Syrup, a medicine of extraordinary penetrating and healing properties. It is acknowledged by those who have used it as being the best medicine sold for coughs, colds, inflammation of the lungs, and all affections of the throat and chest. Its agreeableness to the taste makes it a favorite with ladies and children.

Before Chief Justice Galt.

At the Criminal Assizes yesterday David Christie was tried and acquitted on a charge of assaulting with intent to rob Mrs. Minnie Beal.

William McMillan was placed on trial on the first of three charges of forgery. He was alleged to have uttered a forged check for $30 bearing the signature of Manning & Macdonald on T. & W. Adams, butchers, on Oct. 16. The jury retired at 5.15 p.m. and reported at 7.30 that they could not agree. They were discharged and the Crown Attorney will press the other two charges.

The Grand Jury brought in these true bills: Frederick Stemmler, forgery; Dr. George Barrett Foster, abortion; John Coppling, forgery. No bill was returned in the case of Alfred Peardon, charged with false pretences.

It is expected that the trial of Thomas Kane, charged with wife-murder, will come up to-day.

Mr. Justice Street is recovering from la grippe and expects to be able to preside at the Criminal Assizes to-day.

Dyspepsia or indigestion is occasioned by the want of action in the biliary ducts, loss of vitality in the stomach to secrete the gastric juices, without which digestion cannot go on; also, being the principal cause of headache. Parmelee's Vegetable Pills taken before going to bed, for a while, never fail to give relief and effect a cure. Mr. F. W. Ashdown, Askdown, Ont., writes: "Parmelee's Pills are taking the lead against ten other makes which I have in stock."
