THE BANISTER

Do you realize what's happening Canadians are on a "buying strike." A "buying strike" to a nation is what a "hunger strike" is to an ipdividual. Business is languishing today; and why ? Because demand has fallen off ? No, sir! Because there is a lack of capital to carry on ? Not at all. The demand is there, but you are stifling it. Canada has ample capital and plenty of labor eager to work.

Canada is like a moody, prosperous individual, hanging around the house with money in his pocket, wanting lots of things, needing lots of things, but harboring an obsession that he won't spend his money till prices come down to where they were six years ago. Prices aidn't go up in a day. They can't come down in a day. Prices went up gradually from 1914 to 1919. Prices went up a step at a time. They can't come down by the banister. They must come down the same way they went up.

The only way we can PAY for the war is by buying and selling -trading. And, moreover, prices are down-for many commodities they are already down to lower levels than they should be-things are selling for less than they cost to make.

GUIDE-ADVOCATE, WATFORD' DECEMBER 24, 1920

SANTA CLAUS

He comes in the night ! He comes in the night ! He softly, silently comes ! While the little brown heads on the pillow so white Are dreaming of bugles and drums, He cuts through the snow like a ship through the foam, While the flakes around him whirl :-Who tells him I know not, but he findeth the home Of each good little boy and girl. His sleigh is long, and deep, and wide ! It will carry a host of things, While dozens of drums hang over the side, With the sticks sticking under the strings ; And yet not the sound of a drum is heard. Not a bugle blast is blown, As he mounts the chimney top like a bird And drops to the earth like a stone. The little red stockings he silently fills, Till the stockings will hold no more ; The bright little sleds for the bright snow hills Are quietly set down on the floor. Then Santa Claus mounts to the roof like a bird And glides to the seat in the sleigh : Not the sound of a bugle or drum is heard, As he noiselessly gallops away. He rides to the east and he rides to the west, Of his goodies he touches not one ; He eateth the crumbs of the Christmas feast, When the dear little folks are done, Old Santa Claus doeth all that he can ; This beautiful mission is his : Then, children, be good to the little old man, When you find who the little man is.
