THE HOLLOW SQUARE.

THE HOLLOW SQUARE.

Ladies of Canada:

The hollow square, a purely British military tactic, was never broken but once. Why? Because Tosmy Atkins from Canada and Tommy Atkins from Canada and Tommy Atkins from Canada and Tommy Atkins from all other British possessions stand solidly together. The lesson is, that in a commercial way also, the colonies should stand firmly together; and the ladies of Canada, — the purchasing power — can do much toward accomplishing that end. Ceyion and lindia produce the finest teas. By using the teas grown in sister colonies, ladies act patriotically. These teas appeal to you from sentiment, from purity, from economy — in every way they are squerior to Japan or Chinas. Drinkers of Green tea should try Monsoon, Salada or Blue Ribbon packets.
