Cornet "Wizard" Heads Musical Trio

Chester R. Scott Company Is One of Lyceum's Most Popular Novelty Organizations.

The Chester R. Scott Musical and Dramatic Trio brings to Lyceum not only one of the finest novelty organizations now appearing before the public. but also presents Mr. Chester R. Scott, one of America's finest cornet artists His tones are remarkable for their wonderful softness and richness. He does the difficult "triple tongue work," and also the "running double tongue" -technical expressions perhaps-yet they mean much in discussing an artist's ability. His playing is at all times characterized with the utmost ease and greatest depth of feeling.

. Mr. Fred Orsborne offers musical and dramatic features, and appears with Mr. Scott in special novelty numbers. He is a character impersonator, and his vocal work is a feature.
