Want to Buy some First-Class Colonies of Bees

• * * **NOW?** * * *

Owing to our largely increasing supply-business and the difficulty in securing trained labor for our bee-farms, we will sell for the next month colonies (up to 200) at unprecedentedly low prices. We offer them at once, so that purchasers may have an opportunity of deriving some benefit from them yet. Prospects here are in favor of a first class flow from fall flowers. The bees will be shipped in the Jones' single-walled hive.

Prices will be:

Colonies, including hive and 5 or 6 frames of comb (balance of 12 empty) with good queen	\$5 50
Over four colonies.....	5 25
Ten and over.....	5 00
Colonies including hive and 7 or 8 frames of comb (balance of 12 empty) with good queen.....	6 50
Over four.....	6 25
Ten and over.....	6 00

The combs are nice and straight and each one measures about one square foot. The queens are, in most instances suitable to breed from—all will produce good honey gathering progeny. Nearly all of them are last year's tested queens.
