

his place in God's House, week-day or Sunday, at the ordinary Services or at the Celebration of Holy Communion, and, as Church-Warden, he was ever ready to assist me in any matter requiring his help.

It is to be earnestly hoped that the Lord will put it into the hearts of many others here to follow our deceased brother's example and be equally faithful to "*Holy Church*."

DANVILLE.

The Bishop's Annual Visitation at Danville was noteworthy in several ways. First of all it must be remembered that about a year ago, the good people of Danville lost their Church by fire and that they are only now preparing to build a new Church on a more convenient site.

The Confirmation, therefore, on Sunday morning, December 8th, with the Holy Communion, took place in the Town Hall, where the Service was earnest and refreshing. In the afternoon the Bishop preached an Advent Sermon to a crowded School House Congregation at Asbestos, and in the evening, after a drive of eleven or twelve miles right across the Village of Danville, the day's work closed with another Confirmation at comely little Church at Kingsley Falls. Next day, after a private Celebration of the Holy Communion in the House of the Clergyman, the Rev. T. Blaylock—for the sake of his aged father and mother and invalid sister—and after an important meeting of the Danville Church Building Committee, the Bishop bade farewell to his kind and hospitable host and hostess, Dr. and Mrs. Speer, and was driven by the Rev. James Hepburn to Richmond.

RICHMOND.

The Bishop spent a night here on Monday, December 9th, on his way from Danville to the S. Francis Deanery Meetings at Sherbrooke. The evening was happily spent in visiting one or two of Mr. Hepburn's parishioners, and later in company with a very pleasant party of friends at the Rectory.

LINGWICK.

It was a beautiful crisp morning, when on Friday, December 13th, the Bishop, who had come out from Sherbrooke to Weedon by the Q. C. R., was driven, by one of the Church-Wardens, about eight or nine miles up to Lingwick. Here all the people were in expectation, and the lovely little Church was quickly filled. The solemn Service of

Consecration, with the Holy Communion, was duly said, and then all adjourned to the School-House, close by, where there was a Public Luncheon with Speeches full of life and interest to all concerned. During the afternoon many came to Church again for the Baptism, by the Bishop, of the little son of the Clergyman, the Rev. H. A. Brooke; and in the evening the building was again filled to its fullest extent for a Confirmation. Besides the Incumbent, the Rev. A. H. Moore, of Randborough, and Mr. H. M. Lake, Lay Reader at Lake Megantic, assisted during the day and added much to the occasion. The Bishop, who was most kindly entertained by Mr. and Mrs. Pennoyer, was driven next morning by the other Church-Warden to Weedon Station, and thence travelled back to Quebec.
