Montreal Stock Market.

ON GOOD REPORTS OF EARNINGS
DULUTH COM. AND PFD. AD-
VANCED FROM 1 TO 2 POINTS—
SALES FIRM, BUT NOT IN ROUND
QUANTITIES.

Fourteen stocks were on the market today and eight of them sold higher, four at the same level and two at a lower basis. Molson's was as much as 4 points over the previous transaction's price. Duluth Common very much of a stranger on 'Change sold in three parcels as did also Duluth preferred. Prices in all of these sales drew very considerably ahead of any previous price. These advances were due to reports that Duluth is now earning enough to pay its fixed charges, and thus is now no longer indebted to the C. P. R. for this. If these reports are true, and it is hoped they are, holders of pfd. stock will be anticipating dividends ere long, and all stock-holders will, in the enhanced values be looking for a profitable turn. Gas, Rich. & Ont., Republic, Montreal-London, and Dom. Cotton were the other stocks to advance. C.P.R., Bell Telephone, Street Ry., Hochelaga Bank, were those whose prices were the same, while Royal Electric and Bank of Commerce were the two whose prices fell off a little.

Canadian Pacific.—At the same price as yesterday, sold up to 25 shares. 97½ wanted and 97½ offered.

Montreal Gas sold at ½ advance. The closing bid was 202½ and demand 205.

Richelieu & Ontario at ½ higher sold up

to 25 shares. More could have been bought at the same price but 111 wanted.

Royal Electric fell 1 point. Demand 179 offer 176.

Republic rose 1 point, at which advance 2000 shares were sold. 126 was the demand with 122 offered.

Bell Tel.—The 25 shares sold went at the same price as has been for some time. Closing bid was 190, wanted 195.

Montreal-London rose 1 point in a 215 share deal, and 3 in a 500 share one. Final bid was 42 with a de and for 45.

Mont. Street Ry. at practically the same price. 324 wanted and 322½ offered.

Dom. Cotton advanced ¼ point on a 25 share sale. 108 wanted and 107 offered.

Duluth com. sold to day for the first time since June 30th, at advances 1, 1½, 1½ on that day's price. 550 shares were sold to-day, and business concluded with a bid for 5½ met with a demand for 5½.

Duluth pfd. made its first appearance since July 27, when it sold at 11. Advances to-day were therefore, 1½, 2, 2½. At these prices 200 shares changed hands.

Molsons Bank rose 4 points on its price of July 24. At this advanced price, 205, 40 shares were sold. 229 wanted, 206 bid.

Bank of Commerce lost 1½ from yesterday's price. Closing demand 151 1-2, no offer.
