AND
LIVE STEAM SEPARATORS.

The need for a Feed Water Heater is recognized.
It should not be taken for granted that all Feed
Water Heaters will accomplish the same result.

The "WEBSTER" Heaters
are a class by themselves and
are established as a standard
part of the equipment of mod-
ern power plants.

No other Feed Water Heater
can maintain as great an ef-
ficiency or ensure more eco-
nomical operation.
